

SAVE THE DATE!

Radiowave Operators Working Group 14th Workshop May 5–7, 2026

Join us virtually or in-person at the Hatfield Marine Science Center in Newport, Oregon, U.S.A. for the 2026 ROWG-14 Workshop.

Hosted by Oregon State University, the ROWG-14 workshop will focus on procedures, best practices, and recommendations governing high-frequency radar operations. ROWG workshops are geared toward all levels of experience, and are especially welcoming to newer technicians and operators to help foster collaboration and connection within the ROWG community. We hope you are able to join us in Newport, Oregon this May!

Workshop registration is expected to open in February.
